

The Community Relations Committee proposes to create a Little Free Library at the Village Hall. It's a "take a book, return a book" concept where neighbors share their favorite literature and stories. In its most basic form, a Little Free Library is a box full of books where anyone may stop by and pick up a book (or two) and bring back another book to share. The Community Relations Committee thinks the Village Hall is the perfect place to host such a "library" in honor of its origins as a library. It's a very simple, low impact concept that enhances the feeling of being part of a community. We hope to include books for children as well as adults. Although it is possible to purchase a pre-built box we hope to solicit a volunteer craftsman from the neighborhood to build one. I will be happy to answer any questions but will also provide this website link <http://littlefreelibrary.org> if you are interested.

The sample picture included here is from a library located near Fessenden and 38th St in the district, but it is my understanding that there are also two such libraries located on the East side of the Village.

Hi Shana. Here is one of the pictures I would like to pass on to the Board Members. This is located on Fessenden St, near the corner of 38th and Fessenden.

Thank you!
Karen
